Amendment Approval

Dear Dr. James Harrison,

The London Multi-Centre Research Ethics Committee has reviewed and approved Protocol Amendment v2.1 dated 2024-11-01 for the above-referenced study. The amendment includes:

- 1. Revised inclusion/exclusion criteria (Section 4.2)
- 2. Updated Informed Consent Form (ICF v2.1) -- all active subjects must be re-consented
- 3. Modified visit schedule -- Week 12 visit extended from Day 84 +/-3 to Day 84 +/-7

IMPORTANT: All currently enrolled subjects must provide updated consent using ICF v2.1 prior to their next scheduled study visit. Please ensure all site staff are trained on the protocol changes before implementing.
